Just 10 minutes from Bordeaux, "The Stones of Time" is a luxurious contemporary house with 340m² of living space set in countryside very close to the city. This Grand Design exudes inside / outside living close to the 4 star St James restaurant and hotel.

DESCRIPTIF

Resolutely atypical, unique and functional, it will meet all your expectations: the panoramic view, the terrace, the swimming pool as if suspended in space and time.

The spacious, bright volumes perfectly combine different architectural elements: the white color and the oblique lines.

This property includes a large fully equipped kitchen, living room opening onto the terrace. Each bedroom has a private bathroom.

Its design will allow a redistribution of spaces, as the walls are not load-bearing. This is a dream home in an ideal location allowing style, space, calm and the city on your doorstep.
