DESCRIPTIF

...

Built in 2015, this superb property comprises a contemporary villa of 305m², a two-bedroom gîte (35m²), a second gîte to finish (approx. 30m²) and a heated swimming pool. There is also a self-contained two-bedroom guest suite/apartment/B&B suite within the villa, along with bedrooms suitable for B&B guests - and even a large loft space for hosting yoga retreats, leisure courses, small seminars...

A private drive leads up to the villa and to a double garage (38m²), on the villa's lower-ground-floor. Also on this level is a storage room/walk-in pantry and stairs up to the ground floor of the villa.

There is an outdoor parking area in front of the garage - with steps leading up to the villa's front door - or there is a second parking area at ground-floor level behind the villa.

The front door opens into an entrance hall area with storage cupboards on both sides. To the right of the hall is a shower room with a WC, and an arrière-cuisine with a pantry and stairs down to the garage.

The entrance hall opens into a superb open-plan main room with a kitchen area, a dining area and a sitting area. The sitting area has a large wood-burning stove - and floor vents keep the room warm in the winter months and cool during the summer months - just one of several environmentally friendly features incorporated into the villa's bioclimatic design.

The room faces south and sliding picture windows the length of the room open onto a covered dining terrace with wonderful views of
