DESCRIPTIF

...

Built in the 1960s, this exquisite country house of 363m² is located in a veritable haven of peace and tranquillity, yet is just walking distance away from shops (including a boulangerie), bars, restaurants, schools and local amenities in a pretty market town.

The house is located at the end of a quiet country lane, which then continues around the property as far as a double garage, which is beneath the house on the property's lower-ground-floor. The garage is accessible from the exterior of the house via stone steps, as well as from the interior via a staircase. Adjoining the garage on the lower-ground-floor is a workshop, a wine cellar and various storage areas.

Decorative metal gates at the front of the house open into the lovely grounds, which surround the property. A gravelled drive leads up to the front door with a small parking area. A small paved terrace at the front of the house adjoins the front door and the kitchen - and is the perfect spot for enjoying breakfast in the morning sunshine!

The front door opens into a spacious entrance hall with doors to a kitchen on the right, a utility room on the left and the open-plan reception room at the far end.

The spacious kitchen has been equipped with new kitchen units. It also has a cosy dining area and a door out to the small terrace at the front of the house. The utility room (with separate WC) is opposite the kitchen; this room also has a door out to the small terrace.

The open-plan reception room adjoins the
