In the lively town of Nyons, this 2014 built and renovated 2 houses are at 200 meters from amenities and yet in a quiet neighbourhood, are a must see!

DESCRIPTIF

Nyons, a small town, yet lively all year around, is a beautiful provencal place, with all kinds of bars, restaurants, shops and a weekly market that has been there for over 500 years. A cinema, with English spoken movies, a hospital and musea for the olive oil, a specialty of Nyons.

In 2014, the old building on the premises was entirely renovated in a luxurious style. 3 bedrooms and a bathroom, a living room, private terrace and access to the pool, are a guarantee to important touristic rentals. Can also be used for larger families to accomodate people very comfortably.

The main house consists of 2 bedrooms with a bathroom each, as well as an office, which is easily transformable in a bedroom, with a bathroom as well. The spacious living room has several parts and is very bright and yet cosy. It gives access to a big terrace with climate controlled covers.

In the main house especially, it is amazing how much modern comfort has been installed. Ranging from a central vacuum cleaning system to underfloor heating, shutters that close and open at a distance.

The big pool has a new cover and terrace around. It is heated. There are 2 interior courtyards for cosy BBQ evenings.

Above the double garage, there is a huge attic that can be transformed into a living space.

Solar panels, heat pumps and superb insulation lead to a classification A in terms of energy consumption.

This is definitely a property with low maintenance, a beautiful garden nevertheless, and ideal for tho
