DESCRIPTIF

This cozy home, nestled in the tranquility of a picturesque medieval village, offers a unique opportunity for those who appreciate exquisite stonework and seek charm and authenticity.

The spacious entrance, featuring an ancient flagstone floor and sheltered by an archway made from stones of the old Visan chateau, leads to a stone staircase and a warm, bright living room adorned with exposed beams and a stunning period fireplace equipped with a wood-burning stove.

As you proceed, you'll discover a separate dining room with its own fireplace and a charming Provençal kitchen that opens onto a large terrace with panoramic views.

Upstairs, the landing leads to three spacious bedrooms with traditional tiled floors, exposed beams, and high ceilings. There is also a bathroom with bathtub, a shower room with toilet, and a study.

Each room offers a unique, breathtaking view of the verdant countryside and vineyards or of the picturesque village streets.

Between the first and second floors there's a third shower room with WC and a staircase leading to the cozy library/music room, where the remarkable exposed beams offer undeniable architectural cachet.

A large terrace with summer kitchen invites you to relax while enjoying the breathtaking view over the vineyards and Mont Ventoux.

The basement offers a laundry room and wine cellar.

A highlight of this property is in the second basement, where two large rooms with exposed stone walls and high ceilings offer a great opportunity
