DESRIPTIF

...

If you are searching for a wonderful home in the Béarn to move into straight away, this fabulous maison-de-maître will be perfect for you! Many of the property's original architectural features have been incorporated into the beautiful renovation, creating a tasteful décor of 19th-century French chic with a luxurious, contemporary feel.

Set in delightful wooded grounds of 1.12 acres, this 19th-century maison-de-maître has 165m² of habitable space, an adjoining 18th-century house of 110m² to renovate and unconverted space of 320m² in an adjoining two-storey barn. Situated on the outskirts of a peaceful Béarnais village, the property's riverside setting is a veritable haven of peace and tranquillity...

Set around a beautiful gravel courtyard, the property is approached along a quiet village lane. Huge decorative gates open into the courtyard, where you can park outside the property, or you can park inside the huge barn at the far end of the courtyard. Continuing down the lane beyond the property, a second set of gates opens into the riverside garden behind the property.

The property forms an L-shape around the courtyard. The huge barn adjoins the maison-de-maître on its right-hand-side to form a right-angle; the house to renovate is to the left of the maison-de-maître and is a continuation of the building.

From the courtyard, the front door of the maison-de-maître opens into a spacious entrance hall with a guest WC and a carved wooden staircase to the upper
