New to the market, this is a once in a lifetime opportunity to take ownership of a fabulously designed bespoke apartment in one of the most exclusive villages in the French Alps. Chalet Saskia will soon metamorphose into 5 beautifully designed modern and spacious apartments.

#### DESCRIPTIF

These new apartments will retain the key feautures of the existing property but with the privacy, home comforts and exceptional views to satisfy the demands of today's clients. This fabulous residence has the perfect peaceful and picturesque location yet close to all the village amenities and only 120m from the main lift system. The sunsets from the balconies must be seen to be believed. This unique opportunity will allow prospective owners to work hand in hand with the architects to create their dream home in the mountains. Each apartment is sold as a basic shell platform upon which the new owners can create their own bespoke interior in consultation with the developers. The published sale price is for the shell structure, with a second estimation for the renovation finish based on the requirements of the client. The final cost could be more or less, depending on the quality of finish and facilities required by the client. Whatever the preferred options the project will be managed by the expert team of architects and builders in close consultation with the client.
