DESCRIPTIF

This property is ideal for your business project, for your holiday home or simply for your dream home...

It offers many possibilities and almost too many assets, to name a few: In the garden are several sheds.

It is easily possible to have a lovely vegetable garden.

There is a garage for two cars as well as a carport.

Heating is done with wood, and depending the room, added with electricity or a heat pump.

There are solar panels for a 400 ltr water heater, which fills 3 existing water heaters.

Under the terrace is a wine cellar.

Do I need to tell much more about the Luberon, Provence, with its lavender fields as far as the eye can see, its breathtaking views, its abundant nature in the middle of the Parc Régional Naturel du Luberon, its Unesco listed sites, its Provençal markets with their wonderful smells and colours, its terraces where you can enjoy a drink, its restaurants with their excellent local dishes, its 300 days of sunshine, in short: the ever-present summer...

In the village you will find a possibility to buy your baguettes, a bar, a restaurant, a town hall and a school.

In the town of Apt, 10 minutes drive away, you will find all the shops, colleges, cinema, the hospital and many other services.

The airport of Marseille and the TGV of Avignon are about 1h15 drive away.
