DESCRIPTIF

Set in an extremely quiet and peaceful position, this property is superbly renovated and tastefully decorated. This five bedroomed family home offers comfortable and flexible accommodation over three floors.

It is extremely flexible and is ideal for family home, rental opportunities or a second home.

The principal living space is accessed via stone steps to the front door giving onto a spacious entrance hallway. On the left is a family living room with reversible heat pump providing cooling in summer and heating in winter. There is also wood burner providing a very attractive centrepiece to this space.

On the opposite side of the hallway, there is a downstairs WC. Moving on to the kitchen with solid oak units and dining area enjoying double aspect windows with views onto the garden, pool and countryside views beyond.

Upstairs, there are three bedrooms with the master suite enjoying a private bathroom and WC, whilst the two further large double bedrooms share a family bathroom and WC just next door. All of these bedrooms enjoy air conditioning/reversible heat units. In total, in the main house there are 6 units for reversable air con/heating. These are very favoured as they are regarded as low impact and clean. They use air pumps and can be used independently.

The garden level room, with its own entrance from the pool side of the house, can be used as part of the family home or has the potential for a self-contained rental gite with two bedrooms and it could easily be
