Exclusive offer for this R+1 Provencal villa on the heights of Cavaillon, in a highly residential, secure and quiet neighborhood. On a plot of over 900 m2, not overlooked but not isolated, fully fenced. This tastefully renovated, south-east-facing house offers 52 m2 of living space with 1 fitted and equipped kitchen, 1 dining room and 1 living

DESCRIPTIF

This Provencal-style house, built in the 70s, is located in one of Cavaillon's most beautiful neighborhoods, on the Saint Jacques hill. It is heated by radiators fed by an oil-fired boiler (the burner is new), and this heating system is complemented by air-conditioning in almost every room. The north-facing walls are insulated from the outside. The house is controlled by a home automation system from the telephone, with numerous applications. The DPE rating is an E, but it would be enough to change the oil-fired boiler and replace it with a heat pump to improve the rating. It was a D before the law was changed in 2021, and the attic should be re-insulated, as there is glass wool, but it's only 15 cm. This house is very bright, with large bay windows and French windows in every room. There are 3 bedrooms, each with its own private bathroom or shower room, 2 of which have WCs. 2 of the bedrooms are on the ground floor and the 3rd is on the 1st floor. There's also an enclosed pool house with a lovely semi-equipped kitchen (Ixina brand) where you can also install a sofa bed to accommodate your guests. (The room measures 16 m2). The grounds are beautifully laid out on both sides and the property is very well maintained. The pool shell was renovated in 2020 (bill of almost €9,000), and an automatic sprinkler system that you can manage from your telephone completes the package. There are two garages on the property, one with a burglar-proof door and electric curtains. The pool
