This charming traditional Provencal-style villa built in 2004 is set on a terraced hillside and has one storey. It is arranged over three levels and offers the possibility of creating an additional internally-connected living space of 95 m2 on the garden level and an extension of around 50 m2, giving the potential for a villa of almost 340 m2.

DESCRIPTIF

The property comprises :

On the ground floor: A very large living room with open-plan kitchen opening onto two large covered terraces, one of which is 30m2, a storeroom, an independent WC, a suite with access to the covered terrace, with a shower room, an independent WC and a bedroom on the mezzanine.

Upstairs: two very spacious bedrooms, one of which has access to a small covered terrace with views over the hilltop village, and a bathroom with and WC.

In the basement: On the south-facing garden level, there is a workshop with separate toilet, a garage and a one-bedroom apartment with a small covered terrace space comprising a living room with open-plan kitchen, a bedroom and a shower room with toilet that could be used as a gîte.

The house features fine Provencal-style features such as sloping ceilings, exposed beams, beautiful wooden doors and cupboards and lovely covered terraces, including one south facing on the ground floor with a sliding bay window of 37m2 and another Est facing of 30m2.

The property benefits from numerous high-quality features: double glazing, 2 reversible air-conditioning consoles on the ground floor, a split system upstairs and a large wood-burning stove in the living room on the ground floor. The roof is fitted with 8 solar panels for self-consumption and resale to EDF. The house is buried on 3 sides and is well insulated, providing excellent thermal inertia.

Outside, you will enjoy a charming landscaped garden with terraces, a lovely vegetable p
