Ref : A31219NDY38

This lovely chalet was built in 1992 and has a habitable surface of 207m² with a total floor space of 252m². It sits on a plot of land 1235m² offering a large private garden surrounded by mature trees. Proximity to the main ski station is a key feature being only 4km by road, a short 5 min drive to access the main lift system including the

DESCRIPTION

The ground floor of the chalet is bright and spacious, with an open-plan design enhanced by floor-to-ceiling windows that flood the space with natural light. The layout is cleverly divided into three distinct yet connected areas — a modern kitchen, a dining space, and a comfortable lounge — creating a seamless flow ideal for both relaxing and entertaining.

A brand-new kitchen has been recently installed, and a state-of-the-art thermal heat pump now provides efficient central heating throughout the house. For added warmth and alpine ambiance, the lounge also features a log-burning fireplace. This level also includes a separate WC, a bathroom, a bedroom, and internal access to both the laundry room and the garage, offering optimal practicality and convenience.

On climbing the stairs, we find an open mezzanine office space looking down over the main living area and with a large window overlooking the play area and fields to the rear of the chalet. Moving on we find the second bathroom and three spacious double bedrooms, each of which has plenty of storage space. The master bedroom has its own private balcony overlooking the garden.

On the second floor we find the attic bedroom that currently serves as a gym / training room as well as a storage area for equipment.

To the exterior of the house a driveway leads us onto the parking area in front of the house that can easily accommodate 6 cars. The garage provides the perfect cover from the heavy snowfalls experienced during...
