Located halfway between the mountains and the sea, this amazing property has fantastic potential! DESCRIPTIF

...

Situated on the outskirts of a peaceful Béarnaise village near Navarrenx, this delightful property creates its own private hamlet with a château, a maison-de-maître, a barn, a shop and a huge private event space.

Built during the 19th century as a "Folie" (a building for the proprietor's amusement), the château incorporates many fashionable 18th-century architectural features, such as an elegant perron and two polygonal towers on the façade. The château is in need of modernising and redecorating, and perhaps some changes to the layout of the rooms.

Set back from the château, there is an 18th-century maison-de-maître, which is in very good condition externally. The three upper floors have all been replaced and partitioned to create 22 rooms, all requiring finishing.

Just behind the maison-de-maître is a two-storey barn used as offices and for storage. Adjoining the barn is a shop and café, which conforms to ERP and PMR regulations.

The private event space (1,300m²) is a huge two-storey hexagonal building with a gallery and is located at the far end of the landscaped grounds.

Most of the agricultural land is separated from the buildings by a road and is accessible via a small tunnel. The property is very easy to reach from Biarritz, Pau and the A64 motorway.

The pretty bastide town of Navarrenx nearby is very popular with visitors all year round. There are exciting watersports on the "gave" (river), as well as numerous cultural and sporting activities for
