In the lovely Provençal village of Rustrel, this former head office of ochre traders from the 19th century combines charm, modern design and comfort. Completely renovated in 2024 with great taste, it offers spacious interiors, high-quality materials and a great energy rating (C).

DESCRIPTIF

With its five bedrooms and five bathrooms, this house is truly exceptional. Moreover, it is fully air-conditioned.

Regarding energy consumption, contrary to what the DPE suggests, the owners used only 5,100 kWh in 2024, for a total cost of €1,400.

This beautiful home is located in the heart of a charming village of around 750 inhabitants in the Luberon, Provence—a place where life is still truly enjoyable.

The bakery is just a short walk away and is known for its excellent bread. The local grocery store offers a fine selection of cheeses and outstanding charcuterie. The village's terraces, brasseries, and restaurants under the shade of majestic plane trees create a warm and welcoming atmosphere. In summer, the weekly market brings the village to life, along with various events such as antique fairs and concerts.

You'll also find a post office, a nursery and primary school, a town hall, a bistro, an inn, a pizzeria, as well as potters and a few art galleries. Surrounded by nature, the village is set amid lavender fields, endless forests, and striking ochre cliffs. The nearby mountains offer breathtaking scenery with ever-changing colors.

The town of Apt, just 10 km away, offers a full range of shops, a high school, a middle school, a cinema, and restaurants. Every Saturday morning, its famous Provençal market fills the streets with vibrant colors and local flavors. Avignon's TGV station is about 1 hour 15 minutes by car, and Marseille airport is approximately 1 hour
