## DESCRIPTIF

In Saint-Malo, in the heart of the historic and lively Saint-Servan district, this elegant mansion dating from 1870 is the perfect example of 19th-century bourgeois architecture. A testament to an era when the notables of Saint-Servan built large family homes close to the port and shops, this property offers a rare blend of history, charm and comfort.

With around 210 m<sup>2</sup> of living space, it boasts a noble facade, original parquet flooring, fireplaces, high ceilings and plenty of natural light.

The land is suitable for swimming pools and the garden offers great potential for personalisation. The house, which is in good general condition, has benefited from regular works and careful maintenance throughout the usufruct period. It is fitted with a Viessmann gas-fired condensing boiler, and the roof is also in good condition.

Saint-Servan is one of Saint-Malo's most popular districts, renowned for its village atmosphere, typical market, marina and close proximity to the sea. Saint-Malo, a corsair town with a rich maritime past, is now a dynamic and cultural city, prized for its ramparts, beaches and exceptional living environment, just 2h15 from Paris by TGV.

This house is ideal for a large family, an exceptional second home or a guest house project, in the heart of an environment that is as peaceful as it is sought-after.
