DESCRIPTIF

Located among the scenic vineyards of the Aude region, this substantial wine estate offers a rare combination of renovated comfort and active agricultural heritage, with sweeping views over the surrounding vines and the Pyrenees mountains.

The main residence, approximately 160 m² across two levels, was completely renovated between 2022 and 2023 with high-quality materials, creating a bright and elegant living space. It features a spacious living room, an open kitchen and dining area, three bedrooms, a bathroom, and a separate WC — all combining modern functionality with timeless style.

Outdoor spaces are ideal for both relaxing and entertaining, including a saltwater swimming pool, sun loungers, an integrated barbecue, and a covered dining area — all set against a backdrop of uninterrupted natural beauty.

An adjacent independent dwelling of over 90 m² offers two bedrooms, a bathroom, and generous living and kitchen areas. It currently serves as additional accommodation, with excellent potential for guest use, rental income, or multigenerational living.

The estate includes 27 hectares of vineyard and land. The vineyard is currently under contract with the local cooperative, which purchases the entire grape harvest and provides a substantial and reliable annual income. This contract is now in its final year but is renewable, offering a practical and profitable way to maintain production with minimal hands-on management.

For buyers who may find 27 hectares too ambitio
