Although some renovations and updating will be required, the château can be lived in straight away and could be absolutely perfect for using as a splendid country residence for the new owners or for transforming into a tourism-related business, a corporate HQ or even a centre for sport, arts, culture, wellness....

The panoramic views of the surrounding countryside and to the mountains beyond are simply stunning!

On the ground floor of the château, the front door opens into an entrance hall, which is also accessible via a door from the grounds at the back of the building. To the right of the hall is a sunny study/office, which could be used as a bedroom; to the left is a s
