DESCRIPTION

A Rare Estate of Elegance and Opportunity in Boutenac

At the heart of the Corbières wine country, nestled among rolling vineyards and Mediterranean landscapes, stands this exceptional early 1900s domaine — a property that perfectly combines historic charm with modern luxury. Fully renovated to the highest standards, it is not only a refined family residence but also a thriving B&B and gîte rental business, offering both lifestyle and income potential.

From the moment you step inside, the sense of space and light is breathtaking. The vast living room, crowned by a cathedral ceiling rising to over 7 meters, opens onto a contemporary Italian-style kitchen designed for both gourmet cooking and convivial gatherings. Large glass doors lead directly to the covered terrace, where long summer evenings are best enjoyed overlooking the landscaped Mediterranean garden.

This residence has been crafted for comfort: floor heating, reversible ground-source heat pump, wood burner, air conditioning in every room, and first-class energy performance ratings (B for electricity, A for gas). Every detail has been considered — solar panels, double glazing, electric car charging points, and a fully automated irrigation system connected to the garden's own water source.
