DESCRIPTIF

...

If you are searching for a wonderful home to move into immediately, this fabulous maison-de-maître is just what you're looking for!

This much-loved 18th-century property has been beautifully renovated over several decades to create a wonderful, welcoming home enjoyed by two generations of the same family. During that time, many of the property's original architectural features have been restored in order to perfectly complement the elegant and stylish décor.

Located on the edge of a peaceful Béarnais village, the maison-de-maître is set in two acres (8,298m²) of delightful grounds, which extend beyond the house and outbuildings to the south and west. Typical of village properties in this area, one side of the house borders the quiet main street - but hidden behind is a large courtyard of about 370m², which includes a carport/covered terrace of 45m².

On the far side of the courtyard are two spacious outbuildings: a large two-storey outbuilding (195m² x 2) with seven horse stalls and a smaller outbuilding (42m²) with three animal stalls. The larger outbuilding could be used for secure parking, if desired.

The front door of the maison-de-maître opens into a lovely entrance hall with a carved, original wooden staircase to the upper floors. To the right of the entrance hall is a huge sitting room (30m²) with an open fireplace and curved French doors opening out to a partially covered terrace next to the courtyard.

Adjoining the sitting room is an office - and
