The farmhouse has been fully renovated while preserving its rustic charm. The main living area spans nearly 60 m², featuring high ceilings and expansive picture windows that frame breathtaking views of the surrounding mountains.

DESCRIPTION

Perched at 1,100 metres above sea level, this south-facing farmhouse enjoys a peaceful setting in a quiet hamlet at the top of Verchaix.

Panoramic views of the surrounding mountains can be enjoyed from multiple spots—including the first-floor balcony, the garden, the hot tub in the mazot, and two covered terraces.

Excellent energy rating: see details below

To the rear of the property, a spacious covered area provides ample room for parking, storage, and a workshop.

There is also good rental potential with a fully independent apartment of 50 sq m plus terrace and pergola on the garden level.

Don't miss the EyeSpy 360° tour and floor plans

Heating: Wood-burning stove & heat pump

Electricity: Solar panels generate power, with surplus energy sold back to Enedis

The closest ski access for this delightful farmhouse is the gondola in Morillon Village for access to Morillon Les Esserts. Morillon forms part of the large Grand Massif ski area along with Samoëns, Les Carroz, Sixt and Flaine. The ski domain offers an impressive 265 km of pistes with a top station at 2500 m and mostly north-facing slopes.

The summer season is as lively as the winter and features a varied programme of cultural events and entertainment. The leisure base at Lac Bleu, only 5 kms away is where you'll find a swimming lake, tree top rope trail, tennis courts, rafting, a restaurant/bar and access to walks along the Giffre river.

The area's accessibility, sunny orientation and natural beauty...
