Do you dream of living in the Basque Country and waking up to magical mountain views every day?

If that is your dream, then this superb architect-designed hillside villa is exactly what you're looking for... over 200m² of stylish contemporary

DESCRIPTION

...

Built in 2008, this magnificent hillside villa of 206m² is in an isolated setting, yet is within easy distance of the shops, schools and amenities of St-Jean-Pied-de-Port. There is also a small grocery shop, a bar-restaurant and a primary school in the local village (1.5km).

The villa blends perfectly into its countryside setting. Using a combination of floor-to ceiling picture windows and covered terraces, the property has been conceived to feel cool and fresh during the summer months and warm and cosy during the winter months. In addition, the villa has double glazing and reversible air-conditioning throughout. Other luxurious features include a spa room with a jacuzzi and a sauna, a ceramic wood-burning stove, underfloor heating and a magnificent heated swimming pool with panoramic mountain views.

The villa is located on a quiet country lane, which winds up the hillside from the local village below. Electric gates open into a outdoor parking area at the side of the house, from where you can also access the garage, which adjoins the villa.

From the parking area, a paved path leads around to the front door, which opens directly into the main living space of the villa, which comprises a dining area, an adjoining kitchen area and a sitting area, which is a few steps down from the dining area.

The sitting area (30m²) has two sliding picture windows - one facing south-east the other facing south-west. Both open out to the covered terrace, cleverly ensuring that the s...
