Located on the iconic Promenade des Anglais, in its sought-after section between Magnan and the Old Town, this 1-bedroom apartment is set on the 5th floor of a prestigious residence.

The apartment features a cross-through layout with excellent natural

DESCRIPTION

OVERVIEW:

This elevated-floor apartment is located on the legendary Promenade des Anglais, offering a panoramic Mediterranean setting combined with the comfort of a high-end residence. Set within a prestigious and well-maintained condominium with dedicated caretaker and lift, the property benefits from major structural and technical upgrades already completed or in progress.

All major works — including the complete renewal of the building's canalisation pipes, the ongoing façade and balcony renovation, and the full electrical overhaul of the apartment — represent an investment of approximately €50,000, entirely paid by the current owner. This ensures long-term peace of mind and allows the future owner to focus solely on layout optimisation and interior design.

Its cross-through configuration, sea-facing exposure, and absence of vis-à-vis on the northern side make this apartment particularly attractive, whether as a primary residence, refined pied-à-terre, or long-term investment on the French Riviera.

THE LAYOUT:

The apartment is currently arranged as a spacious 1-bedroom, with generous proportions and a clear separation between day and night areas:

Entrance hall: 6.85 m²

Living room: 29.75 m², opening onto the front balcony with sea views

Independent kitchen: 8 m², with reconfiguration potential

Bedroom: 17.3m² (Exceptional size for a bedroom)

Separate WC: 1 m²

Bathroom: 3.7 m²

Corridor: 3.6 m²
