Discover this beautifully renovated historic 4 bed house in the heart of Montmin, offering an exceptional 345 m² of total floor area (136 m² Loi Carrez / habitable), including extensive utility areas and a 78 m² attic (combles) with outstanding development potential.

DESCRIPTION

This characterful historic home has been thoughtfully renovated to a high standard in recent years, blending its original architectural charm with modern comfort, generous proportions, and energy efficiency. With its scale, layout and extensive usable space, this four-bedroom house is ideally suited as a comfortable family home or a spacious main residence, while also offering the flexibility to serve as a second home for those looking to enjoy the exceptional surrounding environment.

Beyond the habitable space, the property truly stands out for its exceptional volumes. With over 180 m² of utility and annex space, including a large garage, laundry room, cellar and technical areas, it offers a level of flexibility rarely found in village properties. The 78 m² attic presents a remarkable opportunity, being ideal for the creation of a parental suite, additional living space, or even a self-contained apartment with independent access — allowing for rental or professional use.

Located in the sought-after village of Montmin, within the commune of Talloires-Montmin, the setting is both peaceful and spectacular. Surrounded by Alpine scenery, the house enjoys fast access towards Lake Annecy via the Col de la Forclaz to Talloires, Menthon-Saint-Bernard, Annecy and Geneva, as well as via the Doussard / Faverges axis toward Albertville and the nearby ski resorts. World-class outdoor activities are quite literally on the doorstep, including hiking, paragliding, lake sports, cycling,...
