DESCRIPTION

A Self-Contained Apartment with Multiple Possibilities

Attached to the main house, this attractive, self-contained one-bedroom apartment of 41 m² benefits from its own private entrance. It comprises a living room, a fitted kitchen opening onto the garden with access to a terrace, a bedroom, a shower room with WC and a veranda.

Ideal for accommodating family and friends in complete independence, it could also be suitable for professional use or as a rental investment.

An opening between the two properties could be reinstated, allowing the spaces to be combined and the layout adapted to suit individual needs.

A Landscaped Park on the Edge of Town

Extending to approximately 3,580 m², the landscaped grounds offer a peaceful, leafy setting while remaining close to the town centre and its amenities.

Classified as agricultural land and designated as non-buildable, the grounds retain their natural character. Certain additions, such as a swimming pool, pool house or workshop, could be considered, subject to the necessary planning permissions.

The property benefits from two boreholes, one serving the house and the other the garden, together with an automatic irrigation system.

A garage suitable for a small car or two-wheeled vehicles, several secure parking spaces and an electric entrance gate complete the property.

Comfort and Features

Double-glazed windows, electric roller shutters, air conditioning in the living room and principal bedroom, gas-fired central heating with ...
